# MEASURE MEASURE

**By William Shakespeare  
Adapted and directed by James Noel Hoban**

Shakespeare's strikingly current play speaks powerfully about impossible moral choices in the story of the devout novice Isabella, whose faith is tested when her brother is sentenced to death for impregnating Juliet out of wedlock. When the outwardly virtuous leader Angelo propositions Isabella in exchange for his release, she must consider whether upholding her holy vows is worth her innocent brother's life. This dark comedy will surprise and move modern audiences with its timely insights into human motivation and resilience.
